

### FBIM Transactions

**FBIM Transactions** is an international academic journal, official journal of the non-profit organization MESTE, published online, as well as print (subscription), which publishes scientific and professional research articles and reviews in English and/or Serbian, or similar language. FBIM Transactions is published from Belgrade - Serbia and Toronto - Canada. The focal point of the journal is at international level, with the view on matters from a global perspective, but, also, some papers concerning some local specific events could be published. The science and technological advancements and their socio-political impact that happens all over the world can find place in the FBIM Transactions.

## FBIM Transactions

**FBIM Transactions** je međunarodni akademski časopis nevladine neprofitne organizacije MESTE, koji se publikuje onlajn i u štampanoj verziji (za pretplatnike), koji prihvata naučne, stručne, istraživačke i pregledne članke na engleskom i/ili srpskom jeziku (ili srodnim jezicima). FBIM Transactions se publikuje iz Beograda - Srbija i Toronto - Kanada. Časopis je fokusiran na međunarodni nivo, sa gledanjem na predmetnu materiju iz globalne perspektive, ali i neki od radova koji se odnose na lokalne, specifične, pojave, takođe, mogu biti publikovani. Naučna i tehnološka unapređenja i njihovi društveno-politički uticaji širom sveta mogu da nađu svoje mesto u FBIM Transactions.
